### LOCAL MENTION

Mrs. Tom Lock who spent part of the summer in Colorado visiting relatives, returned home the first of the week.

Miss Lillie Nelson came the latter part of last week from Laramie, Wyoming to visit her father, John Nelson near Floris. She left Monday to visit in their old home in Tennessee.

Monday, Mrs. G. H. Fry left for a month's visit in Vian, Oklahoma with her mother.

Monday, Mrs. W. F. Hubbard came from Optima, Oklahoma to visit Mrs. Roscoe Morrell.

John Nelson of near Floris threshed one hundred and eight acres of wheat from his 1914 crop and thirty-two hundred bushels were his proceeds from that amount. He has four hundred more to thresh which are just as good if not better than the crop just taken care of. He came from Tennessee and said this one crop from one season equaled more than he had ever harvested in a whole life time's farming in the southern state.

Charles Hancock has the contract for the erection of a six room house on the John W. Baughman land eight miles north-

west of Liberal, and commenced work this week. The house will be occupied by Clarence Rasler who is farming this tract of land.

J. B. Klenke of Bellefont, Kansas, who owns a half section of land seven miles northwest of Liberal was here Wednesday looking after his farming interests.

Misses June and Stella Cox were in town a few days this week as guests of Miss Dessie Printz.

Arrangements have been made for automobiles to use Light Boulevard to and from the Fair Grounds during the Southwest Fair this year, and horse drawn vehicles to use Second St. This will greatly reduce the danger of accidents and proper signs will be placed to guide visitors.

The Southwest Fair books will be ready for distribution the first of next week.

The Band Concerts which our local band has been giving on the streets have been very much appreciated, and let's don't forget to show our appreciation by giving the Band Boys plenty of applause which they certainly deserve.

The "Commercial Club Car" met with an accident last week having tumbled into a large can

of bright blue paint, but just as soon as it recovers sufficiently it will again appear in public and be ready to haul the Band Boys to and from the Fair Grounds during the Big Fair this fall. The Star Lumber Co. also threatens to paint the Trail Wagon a bright yellow. This combination with the Band Boys "Best Suits" will make an attractive sight for the Fair visitors.

Griffith & Baughman have agreed to take charge of the arrangements for accommodations for the out-of-town visitors during the Southwest Fair, Sept. 9-10-11 and 12th. Anyone willing to rent rooms during the Fair are requested to phone them at phone No. 121 at once. They are now preparing lists with the intentions of having reservations made as early as possible.
